

# South Australian Medical Heritage Society Inc.

## Membership Application Form

The South Australian Medical Heritage Society Inc. (SAMHS) is committed to the appreciation of South Australian health and medical history, identifying the contribution of individuals, recording health and medical artefacts of interest, and making historical health and medical information readily available. The Society was established in 1983 and members from a range of professions share an interest in the history of health and medicine in South Australia.

Meetings are held on the **fourth Thursday** of each month at **6:00pm** in the  
**Dulwich Community Centre, 14 Union St, Dulwich SA 5065**  
An invited speaker addresses each meeting on a topic of medical history interest.

*All meeting correspondence is circulated by email.\**

**Guests and new members are always welcome.**
